

(c) REMARKS

Applicants submit herewith a computer readable form under 37 C.F.R §1.821(e). The content of the computer readable form and the Sequence Listing filed herewith are the same. The substitute sheets of the sequence listing contain no new matter.

The amended Sequence Listing is identical to that originally filed with the following exceptions:

1. The organization name "CANON KABUSHIKI KAISHA" has been replaced in item <110> with the individual names of the five inventors;
2. In Item <130> the reference "CFO18108WO" has been changed to read --CFO 18108WOUS-- ;
3. Items <140> and <141> have been added to identify the application number and the U.S. filing date of the subject application; and
4. In Item <170> the numerals "3.2" have been changed to --3.3--.

For the Examiner's convenience, Applicants have provided a marked-up copy of the Sequence Listing in which the material deleted has been stricken and the material to be added has been underlined. A copy of the Notification paper dated December 23, 2005, is enclosed, as required.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Peter Saxon", written over a horizontal line.
